Inbound Quay Rent:

For marine Terminals: Calculation shall commence on the first calendar day after Last Vessel Arrival and end on the same day of full gate-out.

For other than marine terminals: Calculation shall commence on the first calendar day after the last full gate-in and end on the same day of full gate-out.

For CFS cargoes, Inbound Quay Rent & Inbound combined Demurrage and Detention (DD2in1) are applied but customers must settle warehouse storage charge with warehouse operator directly after cargo is unstuffed into warehouse.

A temporary security deposit set forth in below will be assessed from Consignee for all inbound shipments to Vietnam. This deposit is to be made with Carrier prior to release of cargo. Consignee shall be entitled to receive the full refund of this deposit subject to no detention and/or equipment damage is found based on the Equipment Interchange Receipt when empty container is returned to Carrier's facility. Should detention incur and/or any damage is found, the detention per diem charge and/or cost of repairing damage will be deducted directly from the security deposit with the balance to be refunded to Consignee. Consignee is fully liable for the outstanding per diem charge and/or damage should the security deposit does not cover the full invoice.
